THE GAHHS AUXILIARY THRIVES ON MEMBERS LIKE YOU DEDICATING YOUR TIME! THANK YOU!

Annex Cakes - Members take turns baking birthday cakes for the annex residents once or twice a month.

Annex Gardens - Throughout the spring, summer, and fall, members will plant and tend to the garden area at the Annex. GAH groundskeeper will water flowers weekly.

Annex Tray Favors - Many groups in town contribute to this project. It may be necessary for a group of members to pitch in and create favors for the Annex Residents from time to time.

Bloodmobile - Members help make arrangements by calling volunteers to donate blood, set up appointments, and help plan and promote the donor days.

Gala - This fund raiser for the Gibson Area Hospital Foundation needs Auxiliary volunteers in many areas to make this evening of fine food, auctions, and dancing a success. The Foundation donates money to the Auxiliary to help with their yearly projects.

Gift Shop - The gift shop is a huge service to the hospital. Members are the workers and staff who man the cash register and stock the shelves.

Golf Outing - Members will help with lunch, coordinating outings, tee prizes, and act as hosts for the day

Information Desk - Info desk workers are liaisons between the patients and families and the various departments in the hospital. Training is available with a mandatory education annually.

Juice Cart - Members provide the Annex and hospital residents with juice and snacks daily. Training is available.

Mail Delivery - Sort and deliver mail to those in the residents and patients in the Annex and hospital.

School Tour Guides - Children from area schools tour the hospital each Spring and learn about the services it has to offer. Tour guides lead groups of 10 children and a chaperone to the various departments in the hospital to hear short speeches.

Showers of Flowers - Once a year in February, the employees buy each other flowers to say thank you to one another for a job well done. Volunteers for this morning activity are needed to coordinate sales, wrap and deliver the flowers to the recipients.
